ABATEMENT ITEMS**

1. Gregory Pinard

2 & 6 McLeod Hill Road

Tax Map 018 Lot 026-00 and Tax Map 018 Lot 027-00

Property Tax & Sewer Use Charges - no amount stated.

Background: This request was tabled by the BCA at the June 28, 2012 to allow time for Mr. Pinard to pursue legal action against the prior owner (Sean Donahue). Mr. Pinard has an opportunity to sell the property to a contractor (Mr. Martin). However, the delinquencies have to be paid prior to the sale. Abatement is being requested by Mr. Pinard.

Contractor Martin stated this is a tough project given all the building rehabilitation needs. Once title is taken Mr. Martin expects the property to be back on the tax roles in 6 to 9 months.

On a motion by Lee Walther, seconded by Marion Fish, the BOA voted unanimously to go into deliberative session at 7:26 p.m.

On a motion by Pearl Bugbee, seconded by Marion Fish, the BOA voted unanimously to come out of deliberative session at 8:00 p.m.

On a motion by Pearl Bugbee, seconded by Louise Coates, to offer the following conditional abatement to Gregory Pinard, Tax Map 018/027.00, 6 McLeod Hill Road: Abatement in the partial amount of \$6,404.68 will be granted on the condition that the remaining balance of delinquent tax and sewer chargers currently owed in the amount of \$10,000.00 are paid in full to the Barre Town Treasurer on or before, but not later than, the close of business on Monday, May 13, 2013 citing the collection would work an injustice.

11. Ford, Thomas

9 Orchard Terrace

Tax map 017 Lot 041-00

Request: Some of the penalties

Background: Mr. Ford is requesting abatement of sewer use penalties stating he did not receive written notice from the Town they were due or delinquent. Sewer bills are mailed annually each year with the property tax bill. A mortgage company pays his property tax payment and Mr. Ford did not pull the sewer bill prior to sending the property tax bill. Mr. Ford did not respond to any of the sewer courtesy late letters mailed to him. All delinquencies have been paid at this time, including penalties.

The Treasurer confirmed the facts listed above and added the account had been placed with the Town Attorney for collection and therefore Mr. Ford did not receive the monthly delinquent bills.

On a motion by Violette, seconded by Pearl Bugbee, the Board of Abatement voted unanimously to abate sewer use charge penalties in the amount of \$510.69 for Thomas Ford, Tax Map 017 Lot 041-00, 9 Orchard Terrace citing the collection would work an injustice.

2. Lamberti, Ron

71 Miller's Wood Road

Tax Map 005 Lot 056-15

Request: \$154.47 (penalties only)

Background: The Town of Barre accepts postmark for property tax payments. Town Charter states that if an installment is not paid on the due date it becomes late and a one-

BOARD OF ABATEMENT MEETING OF MARCH 27, 2013 continued:

time 5% late charge is assessed. Since mail service is lacking the 5% is not actually posted for 3 - 4 business days. Once the 5% has been posted the Treasurer receives a list of those who are late. Per Selectboard authority (not by law) the Town sends a courtesy late letter to those on the list. Approximately 325 - 800 late letters can be issued during any one quarter. The letter informs the property owner their payment has not been received, a penalty has been assessed, and if not paid by a date certain additional penalties will accrue in accordance with the Town Charter.

Mr. Lamberti has owned the property since August 2006. In his letter to the BCA he stated he did not receive the courtesy late letter until Saturday, March 15, 2013 due to the forwarding order. He went to Florida for the winter in late December 2012. The Treasurer noted that Mr. Lamberti has never been late on delinquent on his property tax payments.

The BCA noted that each property owner bears the responsibility of paying his/her taxes and the Town offers many options for tax payment.

On a motion by William Bugbee, seconded by Sheila Walther, the Board of Abatement voted unanimously to deny the abatement request of Ron Lamberti, 71 Miller Wood's Road, Tax Map 005/056.15, citing the penalties were correctly assessed.

3. Procopio, Sarah & Renette

30 Moonlight Drive
Tax Map 038 Lot 113-00
Request: Any amount

Background: The property owners currently have delinquent property (\$1,059.32 plus penalties) and delinquent sewer (\$175.00 plus penalties). On June 24, 2010 the Board of Abatement granted this property owner abatement (\$1, 234.32).

The Board noted the following facts:

- ✓ The property owner was granted abatement in 2010;
- ✓ The Board recognizes and understands the personal and financial issues noted in the request;
- ✓ The property owner's financial standing does not appear to have change in almost 3 years;
- ✓ Any abatement means the property tax payers are subsidizing the taxes/levies of the property owner.

On a motion by Jeff Blow, seconded by Sheila Walther, the Board of Abatement voted unanimously to deny the request of Sarah & Renette Procopio, 30 Moonlight Drive, Tax Map 038 Lot 113-00 citing the facts listed above.

4. Pipe Werks, Craig Ohlstein

43 Scenic View Drive
Tax Map 904 Lot 650.00 personal property
Request: \$48.20 plus penalties

Background: Mr. Ohlstein operates his business out of Williston. However, frequently he will park the company truck in his driveway rather than drive back to Williston. The Assessor stated he saw a business car for Mr. Ohlstein which listed the address of his home (43 Scenic View Drive) and that is why he sent a personal property tax form. The Assessor's office spoke with Mr. Ohlstein in January 2013 and informed him to write a letter to this Board.

In March 2013 the Treasurer spoke with Mr. Ohlstein on the telephone and he confirmed his has never operated a business out of his home and should not be assessed

BOARD OF ABATEMENT MEETING OF MARCH 27, 2013 continued:

the personal property tax. The Treasurer confirmed with the Assessor's Office no personal property tax form was filed.

The Board understands Mr. Ohlstein did not file the form sent by the Assessor for personal property tax and does not run a business out of his home. Mr. Ohlstein is not being billed for personal property tax next fiscal year. The Assessor could not remove the personal property tax for this year as the Error & Omissions deadline is December 31, 2012.

On a motion by William Bugbee, seconded by JP Isabelle, the Board of Abatement voted unanimously to abate the personal property taxes of Pipe Werks, Tax Map 904 Lot 650.00 in the amount of \$48.20 plus penalties citing the bill was not properly assessed.

5. Duprey, Tammy

124 West Cobble Hill Road

Tax Map 006/087.043

Request: \$29.60 (penalties)

Background: The property owner received a courtesy late letter and immediately contacted my office stating the check had been mailed on February 13, 2013. A carbon of the check was provided, but the check was never received at the Town Clerk-Treasurer's office.

Ms. Duprey paid the late fee but is requesting a refund of the penalty stating she mailed the payment in good faith.

The Board of Abatement noted the following facts:

- ✓ In July 2012 Vermont legislation changed allowing this Board to abate penalties only;
- ✓ The property owner immediately contacted the Town Treasurer upon receipt of the courtesy late letter and has paid the penalty.
- ✓ The property owner is responsible for ensuring the Town receives payment for any levy;
- ✓ The Town provides other payment delivery options (electronic collection of payment, a drop box for after hours, and special office hours the day before and day taxes are due) knowing there is an issue with the Post Office delivery system.

On a motion by Jeff Blow, seconded by Jay Perkins, the Board of Abatement voted unanimously to deny the request of Tammy Duprey, Tax Map 006 Lot 087-043, 124 West Cobble Hill Road citing the reasons listed above.

6. Parry, Justin & Kathleen

40 Maplecrest Road

Tax Map 007/020.02

Request: \$149.82 (penalties)

Background: The property owner's letter stated the November 2012 tax payment was mailed from the workplace and has not been cashed. This installment became delinquent and the penalties were paid. Given their payment history they are requesting abatement.

The Board of Abatement noted the following facts:

- ✓ In July 2012 Vermont legislation changed allowing this Board to abate penalties only;
- ✓ The property owner stated the check was mailed from their workplace;
- ✓ The Board recognizes and sympathizes with the property owner as they are not the only individuals who have had difficulty with the United States Postal Service.;
- ✓ The Town has no control of the Post Office operations;
- ✓ The property owner is responsible for ensuring the Town receives payment for any levy;

BOARD OF ABATEMENT MEETING OF MARCH 27, 2013 continued:

- ✓ The Town provides other payment delivery options (electronic collection of payment, a drop box for after hours, and special office hours the day before and day taxes are due) knowing there is an issue with the Post Office delivery system.

On a motion by Jeff Blow, seconded by Jay Perkins, the Board of Abatement voted unanimously to deny the request of Justin & Kathleen Parry, 40 Maplecrest Road, Tax Map 007/020.02, citing the facts listed above.

- 7. Brunelle, Jacqueline**
10 Howard Street
Tax Map 031/005.00
Request: not specified

Background: This item is continued from the June 2012 meeting. Ms. Brunelle's property was damaged during the May 2011 rain event. The property did receive an abatement of taxes for damages for the periods FY 2010-2011 and FY 2011-2012. As of last June Ms. Brunelle stated she still does not have use of her lawn due to all the sediment and debris. The Selectboard, even though it was not required, went to the property late last summer/early fall and repaired the lawn.

On a motion by Jeff Blow, seconded by Sheila Walther, the Board of Abatement voted unanimously to deny the request of Jacqueline Brunelle, 10 Howard Street, Tax map 031 Lot 005-00 citing the lawn was restored.

- 8. Vermont Smoke & Cure**
South Barre road
Tax Map 905/700.00 (personal property)
Request: \$749.79 (plus penalties)

Background: Vermont Smoke & Cure moved from South Barre to Hinesburg, VT on April 30, 2012. This means the business was located in Barre on April 1, 2012 when the Grand List was created. Property tax bills are generated based on the Grand List. Therefore, a current fiscal year tax bill for personal property bill was issued to Vermont Smoke & Cure. The company is asking the Board to abate the bill as they were not doing business in South Barre this fiscal year.

On a motion by Chris Violette, seconded by Pearl Bugbee, the Board of Abatement voted unanimously to deny the request of Vermont Smoke & Cure stating the bill was properly assessed.

- 9. Jacqueline Stuart**
12 Orchard Terrace
Tax Map 017/016.00
Request: Any amount

Background: Ms. Stuart purchased the property from the Graniteville Presbyterian Church (former manse). It is being taxed at a non-residential rate. The property was purchased on July 6, 2012. At the time of closing, Ms. Stuart understood the property was at a non-residential education rate. However, she was anticipating a homestead rate for next fiscal year. The Assessor's Office has completed a special letter for the tax department which will allow her to receive a homestead tax rate for next fiscal year.

With great difficulty she has managed to keep her taxes paid to date. Ms. Stuart provided financial statements for the Board's review.

BOARD OF ABATEMENT MEETING OF MARCH 27, 2013 continued:

On a motion by Sheila Walther, seconded by Lee Walther, the Board of Abatement voted unanimously to abate half (\$375.84) of the May 15, 2013 property tax installment citing financial hardship.

10. Day, Richard

6 Howard Street
Tax Map 031/006.00
Request: \$1,254.96

Background: Mr. Day's property had damage as a result of the 2007 flood. He received abatement on property taxes in October 2008 for the FY 2008-2009. Mr. Day has not done any repairs to the flood damage. This was confirmed by the Assessor's letter dated March 22, 2013. Mr. Day's property value remained the same as the pre-flood value and as stated in his letter does not intend to do any repairs to the basement. Photos were supplied. He is asking for abate of property taxes for FY 2009-2010, FY 2010-2011, FY 2011-2012, and FY 2012-2013.

According to the Assessor the property damage value was \$15,000. The Treasurer calculated the taxes on \$15,000 for the FY's 2009-2010 thru FY 2012-2013 to be \$1,254.96.

On a motion by Jeff Blow, seconded by Jay Perkins, the Board of Abatement voted unanimously to abate FY 2011-2012 and FY 2012-2013 in the amount of \$646.21 citing the collection works an injustice and the property owner should have come forward sooner to have his property reassessed.

12. Draper, Keith

27 Granview Drive
Tax Map 038/127.00
Request: \$175.00 sewer use charge

Background: Mr. Draper was overcharged $\frac{1}{2}$ year sewer unit of \$175.00. The records have been changed for next year.

On a motion by Chris Violette, seconded by William Bugbee, the Board of Abatement voted unanimously to approve the request of Keith Draper, 27 Granview Drive, Tax Map 038 Lot 127.00 and abate the sewer charge of \$175.00 for the Fiscal Year 2012-2013 citing the bill was not properly assessed.

13. Tina Dindo

15 Sterling Hill Road
Tax Map 031/034.00
Request: \$131.49 sewer use charge (pro-rated)

Background: The property owner operates an in-home hair salon. In accordance with the Town Ordinance she has been assessed an additional sewer unit charge for this type of home occupation. On February 14, 2013, the Town amended the sewer ordinance to remove the "automatic" second sewer unit charge for in-home salons based on the fact that they do not consume enough water to warrant a second sewer unit charge. Ms. Dindo has been paying for two sewer units since 2004. She is requesting abatement of the FY 2012-2013 second installment sewer use charge from February 15, 2013 through June 30, 2013 (pro-rated amount of \$131.49).

On a motion by William Bugbee, seconded by Jay Perkins, the Board of Abatement voted unanimously to abate the pro-rated FY 2012-2013, February 15, 2013 sewer installment in the amount of \$131.49 for Tina Dindo, 15 Sterling Hill Road, Tax Map 031

BOARD OF ABATEMENT MEETING OF MARCH 27, 2013 continued:

7 Meadowcrest Lane

Tax Map 033/087.01

Request: \$2,048.00 plus penalties (sewer use charge).

Background: Mr. Buzzell provided the Board with financials. He is being assessed 2 sewer units as he previously operated a hair salon out of his home. Currently Mr. Buzzell chooses to retain the second unit.

During the discussion the Board noted the following items:

- ✓ The Board recognizes and understands the personal and financial issues noted in the request;
- ✓ The property owner received abatement in January 2010 (\$1,059.66 plus penalties);
- ✓ The property owner's financial standing does not appear to have change in almost 3 years;
- ✓ Any abatement means the property tax payers are subsidizing the taxes/levies of the property owner.

On a motion by Jeff Blow, seconded by JP Isabelle, the Board of Abatement voted unanimously to deny the request of Raymond Buzzell, 7 Meadowcrest Lane for abatement of sewer use charges citing the facts listed above.

Request: \$1,694.41 (property taxes)

Background: During the 2004 townwide reappraisal there was an error made in the lot size for John & Catherine Radigan. The Assessor has confirmed this and corrections have been made for next fiscal year.

In the meantime the Radigan's would like to have abatement of property taxes for that period (9 years). The Assessor valued the error at \$8,300 and the Treasurer confirmed the overpayment of taxes for the 9 year period to be \$1,694.41.

The Board of abatement noted the following facts:

- ✓ An error was made in the dimension of the Radigan property during reappraisal;
- ✓ The Assessor has valued the error at \$8,300'
