IDENTITY PROTECTION POLICY
STATEMENT OF PURPOSE FOR COLLECTION OF SOCIAL SECURITY NUMBERS

The Identity Protection Act (5 ILCS 179/1, et seq.) (“the Act”) requires each local and State government agency to draft, approve, and implement an Identity Protection Policy that includes a statement of the purpose or purposes for which the agency is collecting and using an individual’s Social Security Number (SSN). This Statement of Purpose is being provided to you because you have been asked by the Village to provide your SSN or because you requested a copy of this Statement.

Why does the Village collect your Social Security Number?

You are being asked for your SSN for one or more of the following reasons:

- Complaint investigation
- Crime victim compensation
- Vendor services, such as executing contracts and/or billing
- Law enforcement investigation
- Internal verification
- Administrative services
- Utility services and billing
- Engineering and Building Department services and billing
- Any services or functions substantially related to the foregoing purposes

What does the Village do with your Social Security Number?

- The Village will only use your SSN for the purposes for which it was collected as described above.
- All employees of the Village identified as having access to SSNs in the course of performing their duties for the Village will be trained to protect the confidentiality of SSNs. Training will include instructions on the proper handling of information that contains SSNs from the time of collection through the destruction of the information.
- Only Village employees who are required to use or handle information or documents that contain SSNs will have access to such information or documents.
- SSNs requested from an individual will be provided in a manner that makes the SSN easily redacted if required to be released as part of a public records request.
- All officers, employees, and agents of the Village will redact SSNs from the information or documents before allowing the public inspection or copying of the information or documents.

The Village will not:

- Publicly post or publicly display in any manner an individual’s SSN.
- Print an individual’s SSN on any card required for the individual to access products or services provided by the person or entity.
- Require an individual to transmit his or her SSN over the Internet, unless the connection is secure or the SSN is encrypted.
- Print an individual’s SSN on any materials that are mailed to the individual, through the U.S. Postal Service, any private mail service, electronic mail, or any similar method of delivery, unless State or federal law requires the SSN to be on the document to be mailed. Notwithstanding any provision to the contrary in this policy and the Act, SSNs may be included in applications and forms sent by mail, including, but not limited to, any material mailed in connection with the administration of the Unemployment Insurance Act, any material mailed in connection with any tax administered by the Department of Revenue, and documents sent as part of an application or enrollment process or to establish, amend, or terminate an account, contract, or policy or to confirm the accuracy of the SSN. A SSN that is permissibly mailed under this policy and the Act will not be printed, in whole or in part, on a postcard or other mailer that does not require an envelope or be visible on an envelope without the envelope being opened.
- Collect, use, or disclose a SSN from an individual, unless (i) required to do so under State or federal law, rules, or regulations, or the collection, use, or disclosure of the SSN is otherwise necessary for the performance of that agency’s duties and responsibilities; (ii) the need and purpose for the SSN is documented before collection of the SSN; and (iii) the SSN collected is relevant to the documented need and purpose.
- Require an individual to use his or her SSN to access an Internet website.
- Use the SSN for any purpose other than the purpose for which it was collected.
