Bidding Documents - Notice to Bidders:

On March 7, 2022, under Roll Call No. 22-0308, the Des Moines City Council adopted the
- SUDAS Standard Specifications, 2022 Edition,
as the official design standards and standard specifications for construction of public improvements in the City of Des Moines, Iowa, to be in effect beginning with all projects authorized by the City Council starting March 21, 2022.

Engineering Department staff has also prepared the General Supplemental Specifications to the SUDAS Standard Specification, 2022 Edition, which will also be effective starting March 21, 2022, and will incorporated into all public construction contracts and all private construction contracts presented to the City Council for consideration starting March 21, 2022. These General Supplemental Specifications are available on the Engineering Department website at: https://www.dsm.city/departments/engineering_-_division/forms_and_document.php#outer-678sub-682.
