Annual SWAP MEET

On the Warm-up day, Sunday, March 6th we would like anyone with extra or outgrown equipment (gloves, bats, softball shoes, etc.) that is still in usable condition to bring the equipment to CHS at Noon and donate the items to KGSA. We will then have tables set up so when the girls come that day for their Warm-ups we can offer them some great deals on gently used equipment. This could really help some families out. We will use the proceeds to help cover scholarship player fees and field maintenance costs. This was a great success in the past years.

SPONSORSHIPS

Our League can not operate without our great sponsors. Their generous support helps offset our costs and allows us to charge reasonable player fees to our girls. Below is a list of our sponsors from last year. We are hoping for a bigger player turnout in 2016 and we could use all the sponsors we can get. Our sponsorship donations are going to be \$250 this year and if you, your business or your employer could help us out it would be greatly appreciated. Please contact us at kgsaidahosoftball@gmail.com or contact Garry Hill at 208-755-8519 if you can help us out with a sponsorship.

Life touch Photography	Kimmel Athletic	Premier Electric
Yates Funeral Homes	Life touch	Printed Memories
