**NEW BUSINESS**

i) Missoula Children's Theater evaluation

- Discussed Prairie Community Church: too big for an event of our size, possibly look at new venues for next year, the kids had to walk around the building to use the restroom when back stage.
- Next year set up a volunteer squad
- Create a pre-registration process
- Create registry for sign-in/out
- Homeschool networking next year

ii) Rock Painting event evaluation

- Quacker's is a nice venue to use. 12-15 kids showed up. Parents attended with the children and stayed for wine.
- The event conflicted with the fair, possibly less of a turnout as a result. Next year would like to coincide with Hayden Days, or events with the rec department where parents attend and it could give the kids something to do. Movies in the park, concerts, Kootenai County fairground, etc.
- Create an "Arts Calendar" for 2019 events

Assistance for persons with disabilities will be provided, upon provision of verbal or written notice to city staff 24 hours in advance of the meeting. The phone number for City Hall is (208) 772-4411.

iii) 2018 Northwest Public Art Consortium – conference Sept. 18-19, Moscow, ID

- Send someone next year for panels, ideas, projects
