1. **Consent Calendar**

- a. Commissioner Venturino motioned to approve as revised the regular meeting minutes of December 13, 2018 and Commissioner Bennett seconded. Minutes were approved.

2. **Unfinished Business**

- a. Hayden History Book Volume II – Commissioner Bennett gave the following progress update:

She completed Sargent Charles Daman history which will be added to Bill and Laura Vandeventer's history in Book 1. There were a couple of changes on the first page. Ona Ma Hudson was inserted in to the first paragraph as she was a niece. The family moved to Tensed, Idaho and not to Plummer. However, she did go to Plummer high school.

Commissioner Bennett met with Taryn Thompson regarding Stephen Koth and Jacob Cramp and she got enough information on Koth to do the family history. Taryn also found some additional pictures.

Stephen Koth and Catherin Cramp Koth is completed. The Cramp family is being revised in several places and will remain in #22. She has not started on them as yet. Just in the stage of researching again. I have worked on this one since 2014. She is researching several families: Dr. Paul Shrum (our first doctor); Dr. Bud Jones (Hayden's first dentist), Joseph and Mary Buckle and the Lancaster's.

Jacob and Ellen Cramp were completed; however, based on this new information shall be revised.

- b. Hayden History Book Volume I – Vice-Chair Eichelberger was absent and will give an update next month.
