Section 2.

The employees recognize an obligation to Renville County to render honest and efficient performance of duties in accordance with policies established by the Board and the County Administrator.

Section 3.

The Union shall be permitted to use the employee bulletin boards located on the premises for the posting of meeting notices and noncontroversial matters of interest to the employees.

Section 4.

Representatives of the Union shall have access to the premises of the Board at reasonable times and subject to reasonable rules to investigate grievances or to hear problems with which there is concern, provided permission is received from the County Administrator or designee. The decision to judge rules as reasonable or unreasonable is reserved by the Board.

ARTICLE I
UNION SECURITY

Section 1.

The Employer agrees to deduct bi-weekly on the first and second payroll of the month, the dues of the employees who individually request in writing that such deductions be made. The amount to be deducted shall be certified to the Employer by the Union, and the aggregate deductions of all employees shall be remitted, together with an itemized statement, to AFSCME Council 65, 3335 W St Germaine St, Ste 107, St Cloud MN 56301 after such deductions are made.

The Union shall provide standard authorized cards for deduction of dues.

The Union shall indemnify the Employer and any Department or agency of the Employer and hold it harmless against any and all claims, demands, suits, or other forms of liability that may arise out of, or by reason of, any action taken by the Employer or Department or agency of the Employer for the purpose of complying with the provisions of this Section.

ARTICLE II
HOURS OF WORK

Section 1.

The regular work week for full-time employees shall be forty (40) hours, five (5) eight-hour days, 8:00 a.m. to 4:30 p.m., including a one-half (1/2) hour unpaid lunch period. The County reserves the right to adjust starting and ending times to accommodate departmental needs. The workweek is defined as beginning at 12:00 a.m. on Saturday and continuing until 11:59 p.m. Friday. Management reserves the right to vary work hours according to department need. By mutual agreement between an employee and the applicable appointing authority or Department Head, alternative regular work schedules including telecommuting may be established to meet the needs of a department, the public, or the employee(s). Such alternative regular work schedules shall be placed in writing, signed by the employee(s) and the applicable appointing authority or Department Head and submitted to the Employer and Union not less than ten (10) working days prior to taking effect.

Section 2.

Except as required by state and federal law, including but not limited to, the Fair Labor Standards Act, no additional compensation shall be paid for overtime, whether in the discharge of duties of the position or in the discharge of duties for another position except in:

1. An emergency in which the Renville County Board orders such overtime;
2. When such overtime is otherwise approved in advance by the Board or its designee; or
3. When compensatory time is earned according to the following guidelines and agency procedures.

Compensatory time off shall be allowed when an employee performs approved work duties after hours, on weekends or on holidays when approved by a department head. Compensatory time is not granted for training, dictation or paperwork done to keep records up to date unless approved or directed by a department head. Compensatory time will not be granted for missed breaks or lunch breaks. These times must be taken during the course of the working day in which they were missed. Any compensatory time accrued shall be recorded by the individual and their supervisor whenever compensatory time is earned. Compensatory time taken shall be recorded on the Employee Time Report and compensatory time shall only be taken when an employee's absence is approved by their department head.

For staff who qualify as "exempt" under the Fair Labor Standards Act, compensatory straight time may be authorized at the discretion of their supervisor up to a maximum of eighty (80) hours for hours worked over a normal schedule. Exempt employees who wish to use this time off must obtain the prior approval of their supervisor. For the purpose of calculating hours worked in excess of forty (40) hours, eligible hours shall include actual hours worked. Vacation time, holiday pay, sick leave, wellness day, and compensatory time are not counted in calculating overtime hours.

Employees who qualify as "nonexempt" under the Fair Labor Standards Act, may upon agreement in advance of their department head or supervisor, in lieu of overtime compensation payments, earn compensatory time at a rate of one and one-half hours for each hour of employment for which overtime compensation is required. Overtime compensation is required for employees in this category when work is performed over forty (40) hours in a seven day work week. For the purpose of calculating hours worked in excess of forty (40) hours, eligible hours shall include actual hours worked.

Except where expressly authorized by the County Administrator or designee, compensatory time can only be accrued to a total of eighty (80) hours for any employee. Except as authorized above, compensatory time over the eighty (80) hour limit will not be approved. Employees shall use compensatory time before using vacation time when taking time off from work other than for reasons of illness. An exception will be made only if the employee's accrued vacation is at 228 hours or more. The employer expressly reserves the right to direct employees to take a designated day off to reduce accrued compensatory time. Compensatory time for employees must be reduced to forty (40) hours by the last pay period of calendar year.

Non-exempt employees required to work over the eighty (80) hour compensatory time maximum shall be paid overtime at the rate of time and one-half (1-1/2) the employee's regular rate of pay.

No additional compensation shall be paid for overtime. For the purpose of computing overtime compensation and compensatory time, overtime hours worked shall not be pyramided, compounded or paid twice for same hours worked. Any variation of this compensatory time policy must be approved by the Renville County Commissioners.

Section 3.

To the extent practicable each regular work day shall have a one-half (1/2) hour lunch period, unpaid, at the middle of the day, and two (2) rest periods, one before lunch and one in the afternoon, of fifteen (15) minutes each.

Employees shall be allowed to take one of their available fifteen (15) minute breaks in conjunction with their lunch break.

Compensatory time will not be granted for missed breaks or lunch breaks. If an employee is expressly required to work through a lunch break in order to provide coverage for the office, the employee, only upon the express written approval of the County Administrator or designee, will be allowed to leave early or claim compensatory time.

Section 4.

Nurses and Environmental Health Specialist will be assigned to provide weekend or evening duties as needed. Time and mileage are paid to and from the employee's home during weekend, evening or holiday duties. Straight paid time or compensatory time will be given for weekend duties. Such employees when called back to work on a weekend at the County or client's residence shall be eligible for a minimum of two (2) hours at the employee's regular hourly rate of pay on the weekend.

Section 5.

Any employee assigned to work for Renville County shall be considered a full-time, or part-time regular employee unless the Union receives notice that such assignment is to be temporary part-time, seasonal in nature, casual, or an independent contract employee. Notice shall be given before the employee is placed on the payroll and shall indicate the nature of the work assignment and duties, hours of work, proposed duration of the assignment, and the compensation rate to be paid the employee.

Section 6.

There are circumstances when deviation from regular service hours (a.k.a. flextime) will be considered as an ongoing type of schedule for a single employee or a group of employees assigned to any given unit

and/or division. Several CRITERIA must be met BEFORE any deviation from the regular work schedule may be considered as follows:

1. Client service and the operation of the unit/division and department must continue to be as efficient and effective.
2. There must be no negative impact on co-workers nor interfere with inter-divisional activities or operations.
3. There must be a neutral effect on the classification status of employees and overtime compensation.
4. There must be no conflict with any portion of this collective bargaining agreement.

At the discretion of the employer, consideration for deviation from usual service hours may be considered. The schedule must cover at least a three (3) month period of time. Changes made in a schedule would also need the applicable appointing authority or Department Head approval. Each schedule must be within core hours of 6:00 AM to 7:00 PM and employees must take a one-half (1/2) hour lunch period. It is not permissible to work more than ten (10) scheduled hours per day. Variations will continue to be allowed for evening meetings and emergencies. Requests meeting the aforesaid criteria may be considered. When staff begin using the flextime option, there will be a ninety (90) day trial period with an evaluation with the supervisor at the end of the ninety (90) days. Evaluation of individual flextime arrangements will be continued as needed.

The supervisor may require persons on flex-time to go back to regular-time status for any reason the supervisory deems necessary or valid (e.g., during a week containing a day of training on the scheduled day off.)

It is not permissible to utilize a four (4) day week flex time schedule during a holiday week, so that an employee has a two (2) day work week Thanksgiving holiday week or a three (3) day work week in conjunction with other holidays. Employees will revert back to regular eight (8) hour workdays during these holiday weeks.

Vacation and sick leave taken on a scheduled work day shall be deducted by the same number of hours as were scheduled to be worked (e.g. taking sick leave on a scheduled 10 hour workday will result in 10 hours of sick leave being deducted.)

Section 7.

The Home Health Aides' workday and mileage reimbursement begins upon arrival at the PHS office or the first client's home and ends upon leaving the last client's home each day. Reimbursement for mileage will be based from Olivia when traveling beyond the first visit and ends upon leaving the last home visit. Home Health Aides will only be compensated for work performed. If a client is not home, not found, or cancels, the Home Health Aide will be paid driving time and mileage. Home Health Aides will not be paid for services not provided.

Section 8.

Public Health employees' workday and mileage reimbursement begins either upon arrival at the PHS office or arrival at the first home visit, clinic visit, or inspection. Employees may begin their first assignment at 8:00 AM at a school, clinic, establishment or client's home without first reporting to the office.

Public Health employees' workday and mileage reimbursement ends either upon leaving the PHS office or leaving the last home visit, clinic visit, or inspections. Employees may finish their day at 4:30 PM at a school, clinic, establishment or client's home without reporting off at the office.

Section 9.

The Public Health Services employees assigned to weekends on call shall be compensated straight time the employee's regular rate of pay. Such employees when called back to work on a weekend at the County or client's residence shall be eligible for a minimum of two (2) hours at the employee's regular hourly rate of pay on the weekend. The regular weekday schedule of full time nurses may need to be adjusted to insure that the nurse's regular workweek does not exceed forty (40) hours.

Section 10.

Employees engaged in Department Head approved work related travel, continuing education, training or other work related business outside the office shall be reimbursed for meals, mileage, lodging and other reasonable expenses in accordance with the policy established by the Renville County Board of Commissioners.

Section 11.

Hours during which an employee is engaged in approved work-related training, including travel time to and from the training location, shall be considered hours worked and shall be compensated as such.

Section 12.

Upon the completion of the 10th year of continuous service, and every five (5) years thereafter, employees shall be granted one longevity vacation day added to their vacation bank, and subject to regular vacation policies. ARTICLE VIII SENIORITY

Section 1.

For purposes of this Agreement, seniority shall be defined as follows:

- b. Classification seniority shall be continuous length of regular employment in a particular classification within the Department.

Continuous service shall be broken only by voluntary resignation, dismissal for cause, or being absent without permission for a period of three (3) working days. An employee who is found to have been unjustly suspended or terminated shall not suffer a break in seniority. Absence due to service in any branch of the military shall not constitute a break in seniority. Employees shall be credited with one year of seniority for every twelve (12) continuous months in compensated status.

Section 2.

A new employee hired shall be considered in a probationary period for the first twelve (12) months of employment. Section 4.

Any vacancy or new regular job opening within the bargaining unit shall be posted in conspicuous places where employees work, for a period of ten (10) working days. Vacancies shall be filled by the County Human Resource Officer with input and recommendation by the Department Head. At the expiration of the posting period, the job will be filled from the most qualified applicant as determined at the sole discretion of the County.

Section 5.

In the event of lay off, probationary, temporary, seasonal, and casual employees within classification will be laid off prior to layoff regular full-time or part-time bargaining unit employees. Layoff of regular full-time and part-time employees shall be by classification seniority within the Department provided that the employee is qualified as determined by the Employer to perform all the work that remains. The Employer shall give ten (10) days written notice prior to the effective date of the layoff.

Section 6.

A regular employee being laid off from the bargaining unit, retains right of recall for a period of one year. Employees shall be recalled from layoff according to classification seniority within the Department. Notice of recall shall be sent to the employee at the employee's last known address on file with the Employer by certified mail. Failure by an employee to return to work as directed by the Employer in the recall notice shall be considered as a resignation. It shall be the responsibility of the employee on layoff status to maintain on file with the County Human Resource Officer the employee's most current address and phone number.

ARTICLE IX
DISCIPLINE AND DISCHARGE

Section 1.

All new employees are considered to be on probation for a period of twelve (12) months, unless extended, during which time they may be discharged without cause. 1. Oral Reprimand

2. Written Reprimand
3. Suspension
4. Demotion
5. Discharge

Both the Employer and the Union agree that the above listed types of disciplines are not to imply a sequence of events.

Section 2.

Section 3.

To the extent practicable, the reprimand of an employee shall be done in a manner which will not embarrass the employee before other employees or the public.

Section 4.

Written reprimands, suspensions, demotions and discharges will be in written form and shall be grievable pursuant to the grievance procedure of the collective bargaining agreement.

Section 5.

Written reprimands, notices of suspension, and notices of discharge that are to become part of an employee's personnel file shall be read and acknowledged by signature of employee. Employees shall receive a copy of such reprimands and/or notices within a reasonable time. Upon written authorization by the employee, a copy will be forwarded to the business agent.

Section 6.

Employees may examine their individual personnel files at reasonable times under the direct supervision of the Employer.

Section 7.

An employee shall be allowed Union representation during the questioning of that employee or if the employee is being investigated regarding a matter that may lead to disciplinary action.

ARTICLE X
GRIEVANCE PROCEDURE

Section 1. Definitions:

“Grievance” means a dispute or disagreement as to the interpretation or application of any term or terms of this contract.

“Days” means calendar days, excluding Saturday, Sunday and legal holidays as defined by Minnesota statutes.

“Service” means personal service or by Certified Mail.

“Reduced to Writing” means a concise statement outlining the nature of the grievance, the provision(s) of the contract in dispute, and the relief requested.

“Small Group of Employees” means a group of employees consisting of five (5) or less.

“Answer” means a concise response outlining the Employer’s position on the grievance.

Step 1.

Whenever an employee or small group of employees has a grievance, he or they shall meet on an informal basis with the immediate supervisor in an attempt to resolve the grievance within ten (10) working days of his or their knowledge of the occurrence giving rise to the grievance. The immediate supervisor shall serve an answer to the employee or small group of employees within ten (10) working days. If the grievance involves and affects more than five (5) employees, the grievance shall be reduced to writing and initiated at Step 2.

Step 2.

In the event the grievance is not satisfactorily resolved at Step 1, or initiated at Step 2, the grievance shall be reduced to writing and served upon the County Administrator by the steward and/or the Union Grievance Committee, or the exclusive representative, within five (5) working days of the time the answer from the immediate supervisor is due, or, if it is initiated herewith, within ten (10) working days of the grievance’s knowledge of the occurrence. The County Administrator shall attempt to resolve the grievance and shall serve answer to the steward or the exclusive representative within ten (10) working days.

Step 3.

In the event no settlement has been resolved at Step 2, the grievance shall be presented to the County Board of Commissioners by the Union Committee and/or the exclusive representative within fifteen (15) working days of the time the answer was due from the County Administrator. A meeting between the Union Grievance Committee, the exclusive representative, and the County Board shall be scheduled within ten (10) working days after the presentation. The parties shall attempt to resolve the grievance, and the County Board shall serve an answer, in writing, to the exclusive representative within fifteen (15) working days following the meeting. If a resolution of the grievance results at Step 2 or Step 3, the parties shall reduce the resolution to writing, and both parties shall sign the memorandum.

In the event no settlement has been reached at Step 3, the parties may, by mutual agreement, request mediation of the grievance by an officer of the Bureau of Mediation Services, and, in addition, either party may request arbitration by serving on the other party notice of their intention to proceed with arbitration.

Step 4.

Within fifteen (15) days from time of response in step 3 or from the mediation session if mutually agreed to, the employee may appeal the arbitrator. The Employer and the Union representative shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance. If the parties are unable to agree upon an arbitrator within five (5) working days after submission to arbitration, they may request from the Commissioner of the Bureau of Mediation Services, State of Minnesota, a list of five (5) names. The list maintained by the Bureau shall be made up of qualified arbitrators who have submitted an application to the Bureau. From this list, each party shall, in turn, strike one name until one name

remains. The grieving party shall strike first. The remaining arbitrator shall hear and decide the grievance. A hearing shall be held promptly by the arbitrator, and a decision shall be rendered by the Arbitrator within thirty (30) days after the date of the hearing.

The Arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the provisions of this Agreement. The Arbitrator shall consider and decide only the specific issue(s) submitted by the Employer and Union, and shall have no authority to make a decision on any other issue not so submitted. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of law, rules, or regulations that have the force and effect of law.

The fees and expenses for the Arbitrator's services and proceedings shall be borne equally between the Employer and the Union provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made providing that it pays for the record. If both parties desire a verbatim record of the proceedings, the costs shall be shared equally.

Section 2.

Processing of all grievances shall be during the normal workday whenever possible and employees shall not lose wages due to their necessary participation. For purposes of this paragraph, employees entitled to wages during their necessary participation in a grievance proceeding are as follows:

- a. The number of employees equal to the number of persons participating in the grievance proceeding on behalf of the Employer; or,
- b. If the number of persons participating on behalf of the Employer is less than three (3), three (3) employees may still participate in the proceedings without loss of wages.

Section 3.

The parties, by mutual written agreement, may waive any step or extend any time limits in a grievance procedure. If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specified time limit, or any agreed upon extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof, within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended upon mutual written agreement of the Employer and the Union.

Section 4.

Union stewards appointed or elected by the Union from among employees of the County shall be recognized by the County as representatives of employees. The Union shall notify the County of, and supply a current list of, its stewards. Such stewards upon approval of the Employer may be allowed to leave their jobs during working hours for the purpose of attendance at grievance meetings with the Employer. Such time shall not exceed on (1) hour in any one (1) given week unless otherwise expressly approved by the County Administrator or designee.

Section 5.

Any matters governed by statutory provisions, except as expressly provided for in this Agreement, shall not be considered grievances under this Agreement. In the event that more than one procedure is available for resolution of a dispute arising from any provisions covered by this Agreement, the

aggrieved employee shall be limited to one procedure through which remedy may be sought. The aggrieved employee shall indicate, in writing, which procedure is to be utilized and shall sign a statement to the effect that the choice of any one procedure precludes the aggrieved employee from making a subsequent appeal under any other procedure.

ARTICLE XI SALARY SCHEDULES

Section 2.

The Employer agrees to provide Courthouse/Public Health employees with life insurance and hospital-medical-surgical insurance including major medical coverage. Such policy or policies will be the one(s) approved by Renville County and the Union and will cover the employee and his/her dependents. The Employer shall pay \$758.04 towards the premium for single health insurance coverage for full-time employees. Any additional costs for such coverage shall be paid by the employee through payroll deduction. For full-time employees participating in Renville County's group family health insurance plans, the County shall contribute \$1,508.88. Any additional costs for such coverage shall be paid by the

Section 6.

Employees certified to the Administration Office by their department head as bi-lingual proficient and assigned interpreter duties shall be provided additional compensation at the rate of \$1.20 per hour while in regular status. This compensation will be limited to no more than one employee per department.

ARTICLE XII GENERAL PROVISIONS

Section 1. Savings Clause

In the event that any provision, phrase or clause of this contract shall at any time be declared invalid by any court of jurisdiction, the decision shall not invalidate the entire Contract. The parties may, by mutual agreement, enter into negotiations to place the voided provision, phrase or clause in compliance with said decision.

Section 2.

A Labor Management Committee meets for the purpose of discussing, exploring and considering noncontractual matters of mutual concern to the parties.

Section 3. Inclement Weather Days

Inclement weather days missed shall be taken as sick leave, vacation leave, earned compensatory time taken, or leave without pay as determined by the employee. The hours missed shall be charged against the appropriate category. In the event that an employee is late for work due to inclement weather and that employee reports to work within two (2) hours after the employee's expected starting time or, in no event later than 10:00 AM, the employee will be excused with pay provided the school district of the employee's residence and/or the BOLD District has delayed or postponed school on that day. In the event an employee works beyond his/her normal ending time, the hours not worked prior to 10:00 AM cannot be used to accrue comp time (or overtime). An employee arriving more than two hours after the start of the employee's expected shift or at 10:01 AM or later must use accrued leave, compensatory time, or unpaid time for the time he/she missed as described above.

Section 4.

This Agreement shall represent the complete agreement between the Union and the Employer. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the complete understanding of any agreements arrived at by the parties after exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waive the right and each agree that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, even though such subject matter may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Section 5.

Public Health employees required to maintain licensure for their position shall have the cost of such licensure paid directly by the Employer.
