TABERNACLE TOWNSHIP COMMITTEE
JANUARY 24, 2022 EXECUTIVE SESSION MINUTES

• CONTRACT NEGOTIATION

WOODLAND SHARED SERVICED AGREEMENT

The Administrator, Casey English, had indicated that she had preliminary discussions with Woodland regarding potentially doing an interlocal agreement for Construction Services. The Township Committee expressed some reservations expressing they would like to know more details (i.e.: hours of operations, benefits for the township, associated costs/revenues, etc.).

• POTENTIAL LITIGATION

VACANT AND ABANDONED PROPERTIES

The Township Clerk had briefly mentioned that he had been provided information regarding our fees for vacant and abandoned properties. The Clerk wanted to discuss whether the fees were arbitrarily high as the Township is not supposed to use such fees as a source of revenue. The Clerk suggested the topic could be discussed in the future as there was no emergent need to change the ordinance immediately.

• SAFETY SECURITY

MUNICIPAL BUILDING

The Township Administrator discussed the transition from the present municipal building to the new trailers which would serve as a temporary solution. She indicated the costs to rehabilitate the municipal building would be prohibitively high. The consensus of the Township Committee was to discuss this at the next Workshop Meeting as the public should remain informed if we do decide to procure a new site and/or building.

• ADJOURN EXECUTIVE SESSION & RETURN TO PUBLIC MEETING

Respectfully submitted,

[Signature]

Everett Palt, RMC/CMR
Township Clerk
