1. **CONTRACT NEGOTIATION**
The Township Committee discussed the various RFQs for professional services. Specifically, the Township discussed Engineering. Several Committee Members expressed an interest in Pennoni Associates as Township Engineer and Site Plan Engineer. No decision had been made.

2. **PUBLIC SAFETY/SECURITY**
The Township Committee discussed whether or not the Township should allow residents to start renting out the Public Safety Building as the Omicron variant was surging. The consensus of the Township Committee was that the Administrator should make that decision.

3. **ADJOURNMENT**

Respectfully submitted,

Everett Falt, RMC
Township Clerk
