MOTION – Mr. Moore made a motion to adopt Resolution 2021-78, seconded by Ms. McGinnis.

PUBLIC HEARING – 2021 BUDGET

Mayor Brown opened the meeting to public comment.

Fran Brooks stated that the Mayor excluded her from the first public comment. There has been nothing but problems with this virtual platform.

Fran Brooks, 78 Moores Meadow Road, asked what is in the budget for the salaries for the staff. The Committee is legally obligated to have dialog on the budget. Ms. Brooks asked the tax rate for last year and this year. Mrs. Brooks asked where the $600,000 stimulus money was in the budget. Ms. Brooks asked how much Shamong is paying in the budget for the shared service for EMTs.

Mr. Brooks, Moores Meadow Road, asked what the money on sheet 14 for the aid to volunteer ambulance was for. Mr. Brooks asked if Shamong was paying for uninsured residents and what steps were being taken to make sure Shamong is pay for anything, i.e. equipment, operating costs.
Mayor Brown closed public hearing on the 2021 budget and advised “just for the record”, the Brooks did not activate their pins and left public comment. 

Mr. Haines advised that salaries will be up to 3%. The tax rate for the local taxes was $.462 in 2020 and 2021. The $30,000 for contribution in the ambulance is for balanced billing. The $600,000 from the Federal government is not in the budget. They will limit what can be done with this stimulus money. When it is received, the Governing Body will adopt a Chapter 159. It cannot be used for tax relief or debt relief.

Mr. Cramer said that Shamong is in the same agreement as Tabernacle for the insurance costs.

PUBLIC COMMENT

Stuart Brooks, Moores Meadow Road, stated he hoped the engineer would report on Carranza Road from the County (guide rails). Ms. McGinnis voted against the repaving of Carranza Road due to the few residents living there: however, she voted in favor of overlaying Forked Neck Road, which has very few residents. Mr. Barton had reported the roads would be based on need, not politics. Mr. Brooks felt that the Township should have worked out an agreement with Shamong many years ago to share the cost of overlaying Carranza Road. Mr. Brooks asked if Shamong was paying for balanced billing in their municipality or is Tabernacle paying these costs.
Fran Brooks, Moores Meadow Road, asked to clarify why when she went through the process of going onto the webinar, it would not let her speak. The last meeting was canceled and felt it was not canceled properly under state law and regulation. Ms. Brooks questioned how would delivery of cannabis be for
medicinal use in Ordinance 2021-03. Ms. Brooks did not know how Ordinance 2021-04 could be enforced.

Doug Meligari, Pine Barrens newspaper, said he was confused about the age restriction on Ordinance 2021-04. He thought the state law legalized marijuana for everyone 21 or over.

Mayor Brown closed public comment.
Mr. Burns advised that the OPMA does not address how to cancel a meeting. A meeting cannot be called to order without the quorum.
Municipal Clerk Kennedy reported she noticed all the newspaper, put it on the website, posted it on the Bulletin Board and front door, and even contacted the two individuals who normally come to the meetings to advise them the meeting was canceled due to a lack of a quorum.
Mr. Burns addressed the question of the Cannabis ordinance concerning the minors being prohibited from utilizing marijuana unless it is for medicinal purposes. There are exceptions to the law concerning medical marijuana within the Township.

REPORTS

Engineer – Mr. Guzzi reported the basins in the Sleepy Hollow area work has begun by Murphy’s to comply with DEP regulations. Hopefully, the Township will award a contract for Carranza Road in September.

Administrator - Mr. Cramer stated on July 26th our three year renewal is up with the JIF. Paul Forlenza, as well as, Brian Monoghan will make their presentations at that meeting. There have been some cyber issues at EMS, nothing to do with health or personnel. JIF is aware of how it was done.

Township Solicitor - Mr. Burns had only litigation matters with nothing new to report at this time.

Emergency Management – Mr. Sunbury advised that the Pinelands Cert helped with the Memorial Day services.

CMFO – Mr. Haines had nothing new to report.

Township Committee

- Mr. Barton asked if Mr. Cramer had any information on getting the TRS building ready for the Township meetings. Mr. Cramer advised he will give a cost estimate in August.
- Ms. McGinnis had nothing to report.
- Mr. Moore thanked Mr. Guzzi for his work on the Carranza Road overlay.
- Mr. Sunbury said the Land Development Board discussed the solar ordinance at their meeting in detail. The Pinelands Commission had created a generic ordinance. A resident came in with concerns with radio frequency interference. This ordinance would cover the entire town.
- Mayor Brown had nothing at this time; however, she thanked everyone for their input this evening.

ADJOURNMENT

MOTION – Mr. Moore made a motion to adjourn, seconded by Ms. McGinnis.

Respectfully submitted,

ORDINANCE NO. 2021-03

AN ORDINANCE BY THE TOWNSHIP OF TABERNACLE, COUNTY OF BURLINGTON, STATE OF NEW JERSEY PROHIBITING THE OPERATION OF ANY CLASS OF CANNABIS BUSINESSES WITHIN ITS GEOGRAPHICAL BOUNDARIES AND

WHEREAS, in 2020 New Jersey voters approved Public Question No. 1, which amended the New Jersey Constitution to allow for the legalization of a controlled form of marijuana called “cannabis” for adults at least 21 years of age; and

WHEREAS, on February 22, 2021, Governor Murphy signed into law P.L. 2021, c. 16, known as the “New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act” (the “Act”), which legalizes the recreational use of marijuana by adults 21 years of age or older, and establishes a comprehensive regulatory and licensing scheme for commercial recreational (adult use) cannabis operations, use and possession; and
TOWNSHIP OF TABERNACLE
BURLINGTON COUNTY, NEW JERSEY

WHEREAS, the Act establishes six marketplace classes of licensed businesses, including:
  • Class 1 Cannabis Cultivator license, for facilities involved in growing and cultivating cannabis;
  • Class 2 Cannabis Manufacturer license, for facilities involved in the manufacturing, preparation, and packaging of cannabis items;
  • Class 3 Cannabis Wholesaler license, for facilities involved in obtaining and selling cannabis items for later resale by other licensees;
  • Class 4 Cannabis Distributer license, for businesses involved in transporting cannabis plants in bulk from one licensed cultivator to another licensed cultivator, or cannabis items in bulk from any type of licensed cannabis business to another;
  • Class 5 Cannabis Retailer license for locations at which cannabis items and related supplies are sold to consumers; and
  • Class 6 Cannabis Delivery license, for businesses providing courier services for consumer purchases that are fulfilled by a licensed cannabis retailer in order to make deliveries of the purchased items to a consumer, and which service would include the ability of a consumer to make a purchase directly through the cannabis delivery service which would be presented by the delivery service for fulfillment by a retailer and then delivered to a consumer.

WHEREAS, section 31a of the Act authorizes municipalities by Ordinance to adopt regulations governing the number of cannabis establishments (defined in section 3 of the Act as “a cannabis cultivator, a cannabis manufacturer, a cannabis wholesaler, or a cannabis retailer”), cannabis distributors or cannabis delivery services allowed to operate within their boundaries, as well as the location, manner, and times of operation of such establishments, distributors or delivery services, and establishing civil penalties for the violation of any such regulations; and

WHEREAS, section 31b of the Act authorizes municipalities by Ordinance to prohibit the operation of any one or more classes of cannabis establishments, distributors, or delivery services anywhere in the municipality; and

WHEREAS, section 31b of the Act also stipulates, however, that any municipal regulation or prohibition must be adopted within 180 days of the effective date of the Act (i.e., by August 22, 2021); and

WHEREAS, pursuant to section 31b of the Act, the failure to do so shall mean that for a period of five years thereafter, the growing, cultivating, manufacturing, selling and reselling of cannabis and cannabis items shall be permitted uses in all industrial zones, and the retail selling of cannabis items to consumers shall be a conditional use in all commercial and retail zones; and

WHEREAS, at the conclusion of the initial and any subsequent five-year period following a failure to enact local regulations or prohibitions, the municipality shall again have 180 days to adopt an ordinance regulating or prohibiting cannabis businesses, but any such ordinance would be prospective only and would not apply to any cannabis business already operating within the municipality; and
WHEREAS, the Committee of the Township of Tabernacle has determined that, due to present uncertainties regarding the potential future impacts that allowing one or more classes of cannabis business might have on New Jersey municipalities in general, and on the Township of Tabernacle in particular, it is at this time necessary and appropriate, and in the best interest of the health, safety and welfare of the Township of Tabernacle’s residents and members of the public who visit, travel, or conduct business in the Township of Tabernacle, to amend the Township of Tabernacle’s zoning regulations to prohibit all manner of marijuana-related land use and development within the geographic boundaries of the Township of Tabernacle; and

WHEREAS, due to the complexity and novelty of the Act; the many areas of municipal law that are or may be implicated in decisions as to whether or to what extent cannabis or medical cannabis should be permitted for land use purposes or otherwise regulated in any particular municipality; and the relatively short duration in which the Act would allow such decisions to be made before imposing an automatic authorization of such uses in specified zoning districts subject to unspecified conditions, the most prudent course of action for all municipalities, whether or not generally in favor of cannabis or medical cannabis land development and uses, would be to prohibit all such uses within the Act’s 180-day period in order to ensure sufficient time to carefully review all aspects of the Act and its impacts;

NOW THEREFORE, BE IT ORDAINED, by the Committee of the Township of Tabernacle, in the County of Burlington, State of New Jersey, as follows:

1. Pursuant to section 31b of the New Jersey Cannabis Regulatory, Enforcement Assistance, and Marketplace Modernization Act (P.L. 2021, c. 16), all cannabis establishments, cannabis distributors or cannabis delivery services are hereby prohibited from operating anywhere in the Township of Tabernacle. This prohibition shall also apply in those parts of the Township of Tabernacle under the jurisdiction and authority of the State of New Jersey Pinelands Commission, New Jersey State Department of Environmental Protection, and/or any other independent state agency, commission or authority, notwithstanding any State law to the contrary.

2. Section 17-93 of the Revised General Ordinances of the Township of Tabernacle is hereby amended by adding to the list of prohibited uses, the following: “All classes of cannabis establishments or cannabis distributors or cannabis delivery services as said terms are defined in section 3 of P.L. 2021, c. 16,”

3. Any article, section, paragraph, subsection, clause, or other provision of the Revised General Ordinances of the Township of Tabernacle inconsistent with the provisions of this ordinance is hereby repealed to the extent of such inconsistency.

4. If any section, paragraph, subsection, clause, or provision of this ordinance shall be adjudged by a court of competent jurisdiction to be invalid, such adjudication shall apply only to the section, paragraph, subsection, clause, or provision so adjudged, and the remainder of this ordinance shall be deemed valid and effective.

5. This ordinance shall take effect upon its passage and publication and filing with the Burlington County Planning Board, and as otherwise provided for by law.
