2019 PEDAL FOR PROMISE

www.urbanpromiseusa.org/ pedal

The 2019 Pedal for Promise, South Jersey's premier early season ride, marks the event's 14th anniversary. The Pedal for Promise offers three mileage options (12 miles, 30 miles, or metric century) for cyclists of all abilities and ages, from families to serious cyclists. Each course begins and ends at Valenzano Family Winery, Shamong, NJ, and loops through scenic Burlington County, NJ. The ride offers stocked rest stops, SAG support, an event jersey, lunch at the finish, and exciting fundraising incentives.

We are passionate about the UrbanPromise mission: to equip Camden children and young adults with the skills necessary for academic achievement, life management, and spiritual growth. We pedal to support our Promise to the youth of Camden. At UrbanPromise, K-12 students are offered innovative, experiential education opportunities (like boatbuilding and marine biology field trips) that add excitement and application to their learning experience. On average, 94% of seniors at the UP Academy and/or StreetLeader youth employment program graduate (compared to the 60-70% graduation rates in Camden's public schools) and 99% of graduates transition into college (88%) or to vocational training (11%).

From January 1st, 2019 through the day of the event, registration is $35 for fundraising adults, $65 for those who wish to pedal and not fundraise, and $25 for youth. UrbanPromise encourages individuals to form teams to train and fundraise together, and offers incentives to teams. Each year, a student team of cyclists from UrbanPromise Academy, UrbanPromise's private high school, trains with volunteer coaches and rides in the event.

On the day of the event, riders may begin checking-in or registering at 7:30. Following a brief opening program, the cyclists will set off on their different routes with a staggered start. Rest stops, stationed along the course, are staffed by UrbanPromise staff and a broad volunteer-base. SAG support is assigned to each section of the routes and is in communication with the event control center as the need for assistance arises. Upon completion of their selected route, riders are received at Olson Middle School by a team of youth, cheering them in.

Support for the Pedal for Promise is support for UrbanPromise's innovative, experiential education in Camden, NJ. We ask every rider to commit to a fundraising goal to support that mission; each donation and cyclist who participates helps us reach our goal of raising $150,000.
