Contract Negotiations with respect to RFQ of Appraiser Service for Irick's Causeway

Members of the Township Committee met in closed session to further discuss the proposals for appraiser services for Irick's Causeway. There was discussion regarding how this matter came about and when the resident blocked the road because of issues of quads encroaching on portions of the road.

Administrator Cramer questioned the Township's "fight" for something no one really cares about any longer. There was concern of the public's purpose and utility; the Township to spend money to pave it or to vacate the road.

Committeeman Lee spoke of wanting the Township to have a public sale and offer it to any contiguous owners.

Administrator Cramer will check with the other two residents for their survey; Solicitor Lange will write a letter to their Attorney. There was general decision regarding the proposals in which there was no decision made to advance with the appraiser service for Irick's Causeway.

Members of the Township Committee came out of closed session and returned to the open meeting.

Respectfully submitted:

La Shawn R. Barber, RMC
Municipal Clerk
