Members of the Governing Body met in closed session to discuss litigation matters involving Fran Brooks v. Township of Tabernacle Docket L-1048-18 and potential litigation involving Iricks Causeway Road right of way.

Iricks Causeway Road right of way

Solicitor Lange provided background information about Iricks Causeway Road being closed as it is a gravel road that connects Sooy Place Road to Powell Place Road. For many years the Township Public Works Department plowed the road.

There was a resident complaint regarding many quads using the road and the resident took initiative to close the road with telephone poles and steaks. The Township can assert its rights of ownership through dedication to address the safety concerns of the public use.

Discussion was held for Township to condemn the road. Mr. Lange spoke of looking for direction of the public road.

Books vs. Tabernacle

Mr. Lange advised the Township Committee of the latest civil action complaint filed by Fran Brooks concerning executive session minutes and process for which they are released. There was not a level of clarity of the demand regarding the suit; therefore, he will go back to the Judge.

Members of the Township Committee came out of closed session and returned to the open meeting to pursue adjournment.

Respectfully submitted,

La Shawn R. Barber, RMC
Municipal Clerk
