New Business

Public Hearing: 2018 Community Development Application  Comments.

Administrator Cramer spoke about the 2018 Community Development Application which lists the items Township intends to apply as follows for a Burlington County Grant for replacement of the wheelchair lift in Town Hall and deterioration of the ramp at Town Hall, with an approximate cost $70,000.00. The estimate does not factor in engineering costs or legal costs for the improvements and are not eligible for grant reimbursement.

Administrator Cramer advised the public of the CDBG requirement to hold a public hearing in which the public can make comment on the proposed project or make suggestions to make application for another project. Once the grant is awarded, there will be another public hearing at the County level.
Fran Brooks, Moores Meadow Road, spoke of not understanding the public hearing process since there was no first or second reading regarding the wheelchair lift and sidewalk ramp replacement; questions the plan to fund the project if the Township does not receive the grant.

Mr. Lange explained the County grant requirements which require public comment and that this public hearing is not handled the same as adoption of an ordinance where it would take two acts to adopt.

Stuart Brooks, Moores Meadow Road, spoke of wanting clarification on the cost of the chair lift and ramp and questions if the amounts are separate and apart from legal and engineering costs.

Committeeman Barton questions if there was any value of the old lift and/or value for parts. Mr. Cramer explained that there may be a value as far as a trade in but it is not certain.

RESOLUTION 2017-95
AUTHORIZING SUBMISSION OF APPLICATION FOR CDBG FUNDING FOR REPLACEMENT OF HANDICAPPED CHAIR LIFT IN TOWN HALL AND PROVIDE SAFE RAMP ACCESS TO THE BUILDING

NOW THEREFORE, BE IT RESOLVED, the Township Committee of the Township of Tabernacle, County of Burlington, State of New Jersey, hereby authorize the Township Administrator to submit the application on behalf of Tabernacle Township.

BE IT FURTHER RESOLVED, that the Township Clerk be directed to forward a copy of this Resolution to the Township Engineer.

Report of the Township Engineer

Currently researching the potential funding and municipal boundary lines of the Tabernacle and Shamong Townships.

Report of the Township Administrator

Township was approved to participate in the Education Services Commission of NJ Grant which would aid in our Town Hall carpet replacement; examining the possibility of lowering the platform where Committee currently sits to its original floor level and expanding the Judge’s dais which Committee would also sit during meetings. The existing dais complies with existing code requirements. Have had discussions with Lakewood Township regarding a used grater which they no longer need and that they would sell to Township for the trade-in/wholesale value (2004 grater with a minimum amount of hours). There is funding available in our current capital budget as a line item and allow to upgrade the grater. Provided Committee with draft/working documents regarding the Public Safety Director and need for the Emergency Medical and Rescue Services. CERT expenses for 2017 up to this date is approximately $511.49 from the budget; and the CERT has spent $2,571.00 out of the FEMA reimbursement.

Report of the Township Solicitor

No report at this time. Suggested that Committee review the documents provided and have a discussion at a later date.

Report of the Township Committee

Committeeman Barton. Received a local finance notice which Gov. Christie issued an Executive Order 207 which permits residents to prepay property taxes in 2017 for 2018. It was reported that the many residents did take advantage of this Executive Order. Suggested that the Tax Office stay open until 4:00 p.m. and not leave ½ a day for the holiday and that the staff receive compulsory time at a later date. Thank you to Mr. Cramer for the preparation of the Public Safety Director job specification and the request for Proposal of the emergency services. Thank you to Mr. Cramer and the Public Works Team for keeping the lights on in the gazebo during the windy Christmas week. May everyone have a healthy holiday.

Committeewoman Brown apologized for not attending a meeting because of family emergency.
Mayor Lee spoke attending a meeting with the B.O.E to discuss possible land use to look at long range planning for Tabernacle Township; such as a new Town Hall; public works; access to the septic facilities and other uses in the future. Subcommittee meetings will begin in 2018. Thank you to the first responders and combined efforts regarding the fatal MVA at Flyatt Road and Carranza Road with the communication to the parents regarding school buses and road closures.

Public comment

Stuart Brooks, Moores Meadow Road, spoke of Township having less meetings than in previous years; land use with school board tax; FEMA reimbursement made for CERT; putting a fire truck in the ESB.

Fran Brooks, Moores Meadow Road, spoke about the fire marshal position should be called by the Township Administrator and not the Township Solicitor – less billable hours; spoke that resident Jim Jones stated he obtain information regarding chicken permits and that Mr. Boyd did not require that he submit an OPRA request; asked if she could be placed on that list as a preferred person to access public records without submitting an OPRA request.

Mayor Lee explained that all questions should be directed to Committee and that to his knowledge there is no preferred list as Ms. Brooks has called it. Mayor Lee also explained that at times there has been documents that are available that do not need the requirement of an OPRA request and there have been circumstances that records have been made available by the Township without an OPRA request which has been done collectively.

Mr. Lange explained that it has always been the long standing policy with Township Committee and the Municipal Clerk’s Office to provide records with an OPRA request.
