Tabernacle Twp. Office of Emergency Mgmt. Published by Corky Lowe - Just now - Stella Update #3 1130 14 March 2017 Weather conditions have gotten steadily worse it is now sleeting and getting colder, winds are still high. Roads are wet and clear but will degrade as weather turns. Public Works is still on duty and looking for the best time to get to action. Balance between rain, sleet and what to put on the roads. If they salt and sand too early it will wash away; if too late, the roads will be dicey. Regardless the best bet is still to stay home and off the roads. It will get better tomorrow. Fire Company and Rescue Squad are still in the stations and prepared to respond. EOC is still open. 609-269-1222 x 202 Lowe/Tabernacle OEM

Final Stella Update
1700 14 Mar 2017

Public Works is doing final clean up of Tabernacle Roads
EOC closed effective 1700 14 Mar
Tabernacle Fire Company and Tabernacle Rescue Squad returned to normal stand by operations
No injuries, accidents or incidents
The cooperation of the residents of the Township in staying off the roads was excellent.

439 and 431 released to normal operations. Please submit ICS 211s and receipts to OEM as soon as you have them completed.

Thank you for your cooperation and support.

Thank you for your service to our community.

William "Corky" Lowe
Colonel, USA (RET)
Emergency Management Coordinator
Township of Tabernacle, New Jersey
wlowe@townshipoftabernacle-nj.gov
609-234-3714
Good Afternoon All,

We experienced little to no snow accumulation on the walks at either building; currently all areas are clear and wet. The B&G day shift will report one hour early tomorrow to apply salt as needed to all sidewalks. Public Works has been through to salt the entrances and lots several times and these areas are also clear and wet.

There was an issue with a telephone line coming down across the entrance at OMS. Verizon was on site to make the necessary repairs and re-hang the lines. Internet, phones, entrance systems, burglar and fire alarms at both buildings have been checked and are all operational.

Walk through inspections were performed at both buildings. Boilers and circulator pumps are operational and there appear to be no HVAC related issues. There is one small roof leak in the gym at OMS; the area was mopped up and a trash can was put out to catch the water. Repairs will be made a later date.

If there are any further issues, I will let you know. Likewise, if you have any concerns, do not hesitate to give me a call. Thanks!

Keith Higginbotham

Latest report. Some changes.

EOC will still open at 0500. EOC phone numbers 6092681222 x 202 or 217. EMC # 6092343714.

439 Crews will staff the ESB from about 2400 until 0600 and then re-evaluate the situation then from staffing during the next operational period.

Swift 911 call scheduled for 1900.

County EOC will open at 0600.
No declaration is anticipated at the township level.

Good Afternoon Emergency Managers and Core Partners,

Attached is the latest briefing package for the coastal storm. This will be the last briefing package unless significant changes in the forecast develop. Please follow our forecasts going forward. At a minimum, they will be updated every three hours.

Changes with this briefing include the following...

- Blizzard Warning expanded into eastern PA and northern NJ.
- Blizzard Warning downgraded to a Winter Storm Warning for Ocean county NJ with more sleet expected.
- In general, accumulations have been lowered across the coastal plain, east of I-95, due to more mixed precipitation.

If you have any questions, please contact our office.

Thank you.
