Dear Edison Resident:

The many services provided for residents of Edison Township throughout the year are listed in this 2022 Public Works Department Calendar.

My Administration will focus on improving the quality of life through cost-effective and efficient municipal services. With community input, we will also begin to rewrite Edison's Master Plan and build an Edison we are proud of now and for the future.

Our website (www.EdisonNJ.org), Local Access TV Channel 15, NIXLE, Recycle Coach, and social media listed below will carry the latest advisories, events and announcements. In extreme conditions or emergencies, I will place a robocall to residents and businesses in town.

Garbage/Recycling Can Repairs & Replacements

If your can is damaged please call the office to schedule an inspection for a repair or replacement. If your can is lost or stolen it is \$60 to purchase a new one.

Inclement Weather

All collection programs may be cancelled due to weather or emergencies.

Holiday Schedule

Municipal Garbage Collection Holiday schedule is noted on the monthly calendar.

Multi-Family Units (Condos, Townhouses, Apartments)

Household Garbage/Solid Waste is collected by private haulers at designated areas. Recycling items are collected at designated areas bi-weekly. Contact your Management office for your recycling days and designated area locations.

RECYCLING COLLECTION

HOW CAN YOU RECYCLE?

The Township provides a curbside recycling collection program for basic recyclable items (single stream containers, newspaper, magazines, mixed paper). The curbside recycling program is a simple and efficient way residents can properly dispose of recyclables. Recyclables must be placed at your curbside in appropriate recycling containers prior to 6:00 A.M. on your recycling days. **Corrugated cardboard is placed next to container. If it is in your container your recycling will NOT be picked up.**

DROP-OFF CENTER FOR EDISON RESIDENTS FOR CARDBOARD ONLY:
Minnie B. Veal Drop-Off Center
1070 Grove Avenue
Hours: Monday -Friday 10:00am-2:00pm,
Closed weekends and Holidays.

NOTE: Residents may drop off **ONLY** cardboard that is normally placed next to your recycling bin. **No oils, Recycling items that are listed on page 3 or bulk items of any type should be dropped off.**

Security cameras on location your safety. When coming to drop anything off go to the office first. Please do not leave any items outside the gate when the Drop-Off Center is closed. This is a violation of Township Ordinance.

***Recycling improperly can result in contaminating the entire truck load and puts the Township at risk for a hefty fine.**

HOW TO DETERMINE YOUR RECYCLING SECTION

The Township is divided into 10 **Recycling Sections (RS)**. Materials for recycling are collected every other week (bi-weekly). Refer to page 9 for your Recycling Section and Recycling Collection Day. The specific dates for each recycling section are shown on the Month-by-Month Calendar starting on page 10. Multi-family residences have centralized recycling areas from which recyclables are collected bi-weekly. Contact your Management office for recyclable days and centralized area locations.

The Middlesex County Greenway is a multi-use trail in New Jersey running from the town of Metuchen to Woodbridge, for a total length of 3.5 miles (5.6 km). The mission of the Middlesex Greenway Coalition is to preserve a historic rail corridor as a rail-trail, and to connect it to a growing system of bike paths, and bike routes.

The Middlesex Greenway evolved by converting the abandoned Lehigh Valley Railroad into a 3.5 mile linear County Park Trail from Crows Mill Road near William Street, with a 10-foot wide asphalt surface, and ends in Metuchen west of Amboy Ave and Lake Avenues. There are 12 entry points along the trails length.

SOLUTIONS TO STORMWATER POLLUTION

Actions You Can Take to Protect and Help Restore the Raritan River & Bay

Why does the Raritan Bay need our help?

Long appreciated for its great aesthetic, economic and recreation value, an array of human impacts now threaten the health of the Raritan Bay

Pollution on streets, parking lots and lawns is washed by rain and snow melt into ditches, storm drains, streams, rivers and ultimately, Raritan Bay.

The stormwater pollution is one of Raritan Bay's greatest threats to clean water and the rivers and creeks that drain into it. Fertilizers, pesticides, motor oil, animal waste, detergents, grass clippings, yard waste and litter are all examples of stormwater pollution.

Limit your use of fertilizers and pesticides

- Perform a soil test to see if you need to fertilize
- Use a drop spreader to apply fertilizer
- Sweep up fertilizer from pavement and other hard surfaces after applying
- Do not apply fertilizers if heavy rain is predicted
- Follow the instructions on the bag label for correct application procedures
- Try alternatives to pesticides, such as plants that repel insects
- Properly store fertilizers and pesticides
- Landscape your property using native vegetation and plants
- To learn more about the proper use of fertilizer go to:
www.nj.gov/dep/healthylawnshealthywater

As a resident or business of the Raritan Bay, there are everyday actions you can take to help reduce stormwater pollution

DON'T PUT ANY WASTES IN STREET OR STORMSEWERS

- The Stormwater system is for the collection of stormwater only, with limited exceptions.

DON'T PUT YARD WASTE IN STREET

- Grass clippings, leaves and other yard waste should always be placed in containers and never swept, raked, blown, or otherwise put in street
- If such materials are in the street, they should be removed

KEEP A LID ON ALL DUMPSTERS & REFUSE CONTAINERS

- Uncovered dumpsters and other refuse containers can cause wastes to reach natural water bodies during storm events

CLEAN UP AFTER YOUR PET

- Use newspaper, bags or pooper scoopers to pick up pet waste

DON'T FEED WILDLIFE

- Do not feed ducks, geese or other forms of wildlife in public areas

DON'T LITTER

- Place litter in trash receptacles and keep it out of storm drains
- Reduce, reuse and recycle
- Participate in community cleanups
