- If a person in the library tries to check out a book at the same time a patron online tries to place a hold, the priority will be given to the person in the library. The online patron will be put on the hold list.
- When a digital item becomes available, the item will be held for three days. Digital holds may be set in "Account Settings" to checkout automatically.

Interlibrary Loan (ILL)

Items not owned by the library may be requested via interlibrary loan. Only certain types of materials may be requested. A patron may request specific titles and the time period to obtain materials varies. Five requests per month are allowed per cardholder.

To borrow from interlibrary loan, patrons must be in good standing including adults who are responsible for cards of minor children.

To obtain an item from ILL, a patron must fill out a loan request form available online or place the request in person at the library. A patron must fill out an online request form for each item. Interlibrary loan materials may not be renewed.

The lending library may determine the check-out period.

The lending library may designate material for in-house (non check-out) use only.

When the material arrives, the library will notify the patron through an automated telephone call or email. Items will be held for seven days (including Saturday). Materials will be returned to the lending library if the patron has not picked up the material(s) within seven days. There is a \$2.00 fine per item that is not picked up.

Patrons who do not return Interlibrary Loan materials will be charged a replacement cost by the lending library. The lending library will set the exact amount for the item. Replacements are not accepted for lost items. Late fees will be charged for items that are overdue in accordance with the Smith Public Library's Borrower Policy.
